

### **Certificate of Insurance**

Renters must obtain public liability and property damage insurance insuring SCNA against loss of liability caused by, connected with or arising from renter's occupation and use of the theater. This insurance shall be maintained in amounts not less than \$1 million for injury to or death of any one person as a result of any one accident, incident or occurrence. Special Events insurance can be obtained through the City of Sacramento's, City Risk Management Department. Certificate of Insurance must be on file with the Center at least two weeks prior to load-in.

### **Food or Drink**

No food or drinks are allowed in the house or booth of the theater. Only bottled water is allowed inside the theater.

### **Alcohol**

Alcohol is strictly prohibited on the premises of the theater. Beer, wine and champagne are allowed in Sierra 2 Center rental rooms.

### **Open Flames or Pyrotechnics**

Open flames, candles or pyrotechnics of any kind are not allowed in the theater.

## SIERRA 2 CENTER 24<sup>th</sup> Street Theatre

The 24th Street Theatre, located in the historic Curtis Park neighborhood south of downtown Sacramento, is part of the Sierra 2 Center for the Arts, now listed on the City of Sacramento Historic Register. The interior architecture, including wood beams and chandeliers, stage configuration and dressing rooms date to the original construction of the auditorium in 1926.

The theater is within easy reach of midtown and downtown Sacramento with easy access from 80, 50 and 99 freeways.

**2791 24th Street  
Sacramento, CA 95818  
[www.sierra2.org](http://www.sierra2.org)**

### Seating

The theater capacity is 296 and contains 257 fixed seats, space for 39 portable and 5 wheelchairs. The raked seats are numbered, allowing open or reserved seating.

### Wheelchair Accessible

The theater is wheelchair accessible from the front main entrance of the Sierra 2 Center.

### Stage

The elevated stage measures 30' x 30' and includes a proscenium, cyclorama, black velvet curtains and a motorized projection screen. An area at the base can accommodate a small orchestra.

### Lighting

The theater is equipped with an ETC Element 40-250 programmable lighting control console. The console allows straightforward programming of cues and up to 40 submasters. There are 34 dimmers rated at 2400 watts each, hard patched to the three fixed electrics and the FOH lighting beam. DMX runs between the control booth and stage, allowing for the integration of additional dimmers or intelligent lighting. The theater is configured with a standard light plot. The inventory includes 8 Source 4 36 deg, 14 6 inch Fresnels, 6 Altman Shakespeare 30 deg, 4 Altman Shakespeare 15-35 deg, 26 Altman 360Q (mostly 6x12 and a number of extra 6x4.5 and 6x9 lens tubes) and 1 Altman 1000W follow spot (please check for current inventory). Ladders and a hydraulic lift are available.

### Sound

The control booth is the theater's core sound system and consists of a Yamaha 16 channel\* mixer, 2 QSC amplifiers and two flown Peavey DTH series speakers. There is a CD player/Tape-deck combo unit and an auxiliary input for (XLR) of a third party playback device. A breakout box on stage right allows for 8 microphones, 2 instrument inputs, and 2 monitor outputs (line level). Renter must supply their own monitors.

Sound/lighting technician, microphones, ClearCom and cabling available for rent.

### Dressing Rooms & Rental Rooms

There are two dressing rooms with direct stage access. Dressing rooms include sinks, mirrors and dressing racks. Toilets are located down the hall. No showers are available. The Garden Room (below) can be rented for an additional room or receptions.
